There should be 9 loops on your hook. Yo and pull through all loops. 3 ch, 1 sl st in same st.\*, repeat from \* to \* 1 time. Yarn off, tighten the magic ring, weave in the ends and form the petals to the outside.

### UNION OF THE FLOWERS

Arrange the flowers the way you want to sew them together. Use the colour chart for help. This also shows the order in which the flowers are joined together. Join the petals together gap by gap. With yarn colour \*00003 sew them together on the back with the back stitches. Follow the diagram in the order in which the flowers are sewn together.

### BORDER:

With yarn colour 00003 crochet evenly around the entire front and back. Try to crochet deeper gaps with dtr / tr or use htr / dc to end up with only slight waves on the sides of the bag. Left and right side 55 sts each, bottom side 55 sts, top side 60 sts - if more or less sts were needed, this can be compensated in the following row.

### SIDE MARGIN:

Mark corners and tips with stitch markers. With yarn colour 00003 cast on at the upper left tip. If you need to even out the number of stitches, distribute decreases or increases evenly.

**Row 1:** back loops only: 55 dc | 50 dc | 55 dc, 1 sl st in next st, 1 tch.

**Row 2:** Skip sl st, 160 dc, 1 sl st in next st. Yarn off and weave in the ends. Repeat the side margin for the second part, don't cut the thread. In the next row, join the front and back together:

**Row 3:** 1 tch, skip sl st, 160 dc through both loops of front and back. Don't cut the thread. Go on with crocheting the handle.

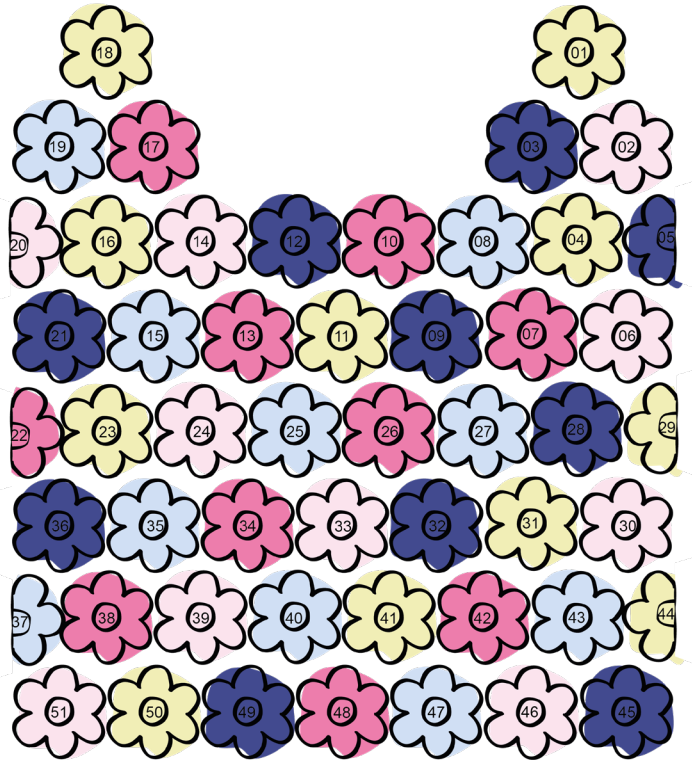

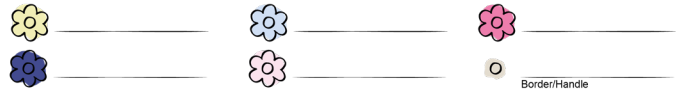

**HANDLE:**

Using yarn colour 00003:

Crochet 10 ch, join with 1 slst to a round. Begin the first round with a chain stitch (does not count as a stitch) and work 1 dc in each ch. Crochet 65 rounds with dc, starting with a chain stitch and ending each round with a sl st. Then sew the handle onto the side edge on both sides and fasten the thread.

**WASHING ADVICE**

- Always wash in as warm a water temperature as possible - up to the temperature recommended (up to 30°C), with a short spin. Use a lot of water if hand washing. For darker colours we recommend the use of discolouration sheets.
- Do not bleach.
- Do not tumble dry. Lay flat to dry away direct sunlight.
- Iron at a low temperature using a damp cloth.
- Professional dry cleaning in tetrachloroethylene.
- Do not use optical brighteners (or any detergent containing optical brighteners).
